MATERIAL: Poster should be made of one-piece vinyl or paper, or multiple A4 sheets.

STRUCTURE:

- **Title of Research:**
  Must be exactly the same as the title registered in the SIICUSP submission.
- **Institution:**

Name and address of the institution where the research was conducted. Logos or names of sponsors/partners may also be included (max 5 cm x 5 cm).

- **Authors' Names:**

  List the researchers responsible for the work.

- **Introduction:**

  A brief explanation of the problem or question studied, including the objective or hypothesis.

- **Materials and Methods:**

  Describe the procedures, equipment, materials, and strategies used in the development and analysis of the research.

- **Development:**

  Outline the execution phases, analysis, and conclusions. Remember, the process is just as important as the final result. Show the scientific or technological steps involved.

- **Results:**

  Present the findings obtained using the methods described.

- **Conclusions:**

  Summarize the key takeaways of your work.

- **References:**

  Include a list of the references cited throughout the poster. Be sure to attribute any ideas, quotations, or external content to their original authors.

- **Sustainable Development Goals (SDGs):**

  Include the icons of the Sustainable Development Goals that your project is linked to (https://sdgs.un.org/goals).

Note: Any text or content not created by the authors must be properly attributed with the correct author and source.
